THE DAVID SLOVITER AND NORYN RESNICK CHARITABLE FUND FOR THE BENEFIT OF MATEH ASHER REGIONAL COUNCIL RESIDENTS

**"True friends of Match Asher;
David Sloviter and Noryn Resnick from Massachusetts, USA"**

David and Noryn were so moved after the Second Lebanese War that they decided to establish a special discretionary fund to assist families in Match Asher who were affected by the trauma, and those families who on a daily basis need financial support for health and social welfare matters that are not covered by government aid. Their ongoing support for 3 years has assisted many families and David and Noryn are committed to continue with their support but still more funds are urgently needed.

"During our ongoing efforts to strengthen the 32 villages in our region I recently detected a number of areas of distress among our residents due to the lack of government funding to address their needs".

Yehuda Shavit, Mayor of the Match Asher Regional Council
